

Norman Engineering and Surveying is a family owned business that has been serving the Sioux Falls and surrounding communities since 1978. Dan has provided land surveying services to various clients throughout the past 41 years. His commitment and dedication to the surveying profession has been a model for the industry. In 2019, Dan will take a step back and let his son Aaron and Norman Engineering & Surveying, Inc. take over. To allow for a smooth transition, Dan will continue to be actively involved for the next year to ensure client expectations are met.

Aaron graduated from South Dakota State University in 2002 with a Bachelor of Science in Civil Engineering. Aaron became a registered Land Surveyor in 2006 and is currently licensed in the states of South Dakota, Minnesota, Iowa, and North Dakota. Aaron became a licensed professional engineer in 2011 and is currently licensed in the state of South Dakota.

Aaron has numerous years of surveying and civil engineering experience in the area. He has vast experience in various elements of project development while maintaining budget control and preserving client relationships. His experience with private and municipal clients has provided valuable partnership and commitment to his clients. Aaron has worked on various projects throughout the area ranging from mortgage surveys to residential development plans to municipal infrastructure projects.

Aaron is actively involved within the community and professional organizations. Aaron is a current member of the Sioux Falls Zoning Board of Adjustments and serves on the Advisory Council for the Land Surveying program for Southeast Technical Institute.

Aaron is also the local chapter President for the Big Sioux Chapter of the South Dakota Society of Professional Land Surveyors and currently serves on the state board. Along with being a member of the land surveying societies, Aaron is a member of the South Dakota

Engineering Society and American Society of Professional Engineers.

Dan would like to thank you for the continuous support over his career and looks forward to assisting Aaron with the transition and the ongoing dedication to customer service.
